Applicant Certification: The undersigned agrees that the stated energy efficiency measure(s) is (are) installed and in operation at the job site address listed above, and that the information contained in this application is accurate and complete. I have read and agree to the Terms & Conditions on Page 2 of this application. I agree to indemnify, defend, hold harmless and release CFU from any claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental, special or consequential damages.

Applicant Signature Date

Questions? Please call CFU at 319-266-1761 before your installation is complete. Once equipment is installed, CFU cannot assist you if the installation does not meet program rules.

CEDAR FALLS UTILITIES

2018 RESIDENTIAL CLOTHES DRYER REBATE PROGRAM TERMS & CONDITIONS

- **Directions and Customer Invoice Requirements:** Equipment must be paid in full; items on layaway or payment plans are not eligible until all payments have been made. Equipment must also be installed and operating on the premises before you apply for a rebate. For each project, submit a completed and signed rebate application with receipts as described below to either energyservices@cfu.net or Cedar Falls Utilities, Attn: Energy Services, P.O. Box 769, Cedar Falls, IA 50613. Itemized receipt(s) or paid invoice(s) showing the contractor/vendor name, date of purchase, installation or delivery address, model number of each qualifying piece of equipment purchased, and total equipment cost must be submitted with the rebate application. *Only if the receipt or itemized bill does not show the model number, also submit documentation the yellow product energy guide label showing model number and rated energy efficiency performance, in addition to retailer invoice or receipt.*
- **Project eligibility:** Purchase and installation must be completed between January 1, 2018 and December 31, 2018. Applicant must be a current Cedar Falls Utilities (CFU) customer and CFU must supply the primary energy to the water heater which supplies the water to the qualifying clothes dryer. Limit one CFU rebate payment per piece of qualifying equipment. Projects must comply with all applicable federal, state, and local codes, standards, and regulatory requirements. All equipment must be new; used or rebuilt equipment is not eligible. Existing equipment must be removed and may not be resold. The most current rules of this program are on the application forms posted at www.cfu.net. To evaluate your application, CFU will use the rules listed on the application form that was posted at www.cfu.net on the day CFU receives your application. Rebate amounts, energy efficiency requirements and property-type restrictions vary with the project type, and are stated on Page 1 of this application form and incorporated by reference.
- **CFU Rebate Processing and Application Deadline:** Submit applications no later than March 31, 2019. Please allow up to six weeks for rebate processing. Incomplete applications may be delayed or rejected. *CFU reserves the rights to 1) award rebates in the form of utility bill credits or directly mailed checks; 2) notify you of rebate status via text message; and 3) verify invoices and proof of payment with financial institutions.*
- **Verification & Publicity:** CFU reserves the right to inspect and verify the installation or ask you to complete a customer survey, for up to 12 months after the installation. CFU may publicize your participation in this program unless you request otherwise in writing. Rebate application information may be shared with state agencies or departments.
- **Cedar Falls Utilities:**
 - 1) Does not endorse any provider, manufacturer, product, labor or system design by offering this program;
 - 2) Is not responsible for any tax liability arising from customer's receipt of a rebate payment;
 - 3) Does not expressly or implicitly warrant the performance of installed equipment or contractor's quality of work (contact your contractor or vendor for warranty information);
 - 4) Is not responsible for the proper disposal/recycling of any waste generated by this project;
 - 5) Is not liable for any incidental or consequential damages caused by the installation of the equipment or for any damage caused by the malfunction of the installed equipment;
 - 6) Does not guarantee that a specific level of energy or cost savings will result from the implementation of energy efficiency measures or the use of products funded under this program.
 - 7) May modify or end any cash rebate program at any time without notice. Incentives are available on a first-come, first-served basis. **Neither pre-approval of a project, nor any other action by CFU, entitles applicant to a rebate payment until and unless CFU approves this application. Submitting a completed application does not guarantee that applicant or contractor will receive a rebate from CFU.**

***Inspections – Please note:** Before CFU can release the rebate, a natural gas dryer must pass CFU inspection
