## CEDAR FALLS UTILITIES

### 2018 RESIDENTIAL EXTERIOR DOORS REBATE PROGRAM TERMS & CONDITIONS

- **Directions and Customer Invoice Requirements:** Equipment or improvements must be installed and operating on the premises before you apply for a rebate. Door must be paid in full; items on layaway or payment plans are not eligible until all payments have been made. For each project, submit a completed and signed rebate application with receipts, NFRC stickers (National Fenestration Rating Council), and documentation as described below to either [energyservices@cfu.net](mailto:energyservices@cfu.net) or Cedar Falls Utilities, Attn: Energy Services, P.O. Box 769, Cedar Falls, IA 50613. Itemized receipt(s) or paid invoice(s) must show:

- Retailer or vendor name and address
- Date of purchase
- Pre-tax purchase price, manufacturer, and quantity of each type of exterior door purchased

For each different type of exterior door included in the application, a National Fenestration Rating Council (NFRC) sticker or copy of the sticker from the product packaging must be enclosed with the application (i.e., if two of the same type of door are purchased, the NFRC sticker from only one of the doors needs to be enclosed with the application).

- **Verification & Publicity:** CFU reserves the right to inspect and verify the installation or ask you to complete a customer survey, for up to 12 months after the installation. CFU may publicize your participation in this program unless you request otherwise in writing. Rebate application information may be shared with state agencies or departments.
- **Cedar Falls Utilities:**
  - 1) Does not endorse any provider, manufacturer, product, labor or system design by offering this program;
  - 2) Is not responsible for any tax liability arising from customer's receipt of a rebate payment;
  - 3) Does not expressly or implicitly warrant the performance of installed equipment or contractor's quality of work (contact your contractor or vendor for warranty information);
  - 4) Is not responsible for the proper disposal/recycling of any waste generated by this project;
  - 5) Is not liable for any incidental or consequential damages caused by the installation of the equipment or for any damage caused by the malfunction of the installed equipment;
  - 6) Does not guarantee that a specific level of energy or cost savings will result from the implementation of energy efficiency measures or the use of products funded under this program.
  - 7) May modify or end any cash rebate program at any time without notice. Incentives are available on a first-come, first-served basis. **Neither pre-approval of a project, nor any other action by CFU, entitles applicant to a rebate payment until and unless CFU approves this application. Submitting a completed application does not guarantee that applicant or contractor will receive a rebate from CFU.**
- **Project eligibility:** All projects must be completed between January 1, 2018 and December 31, 2018. Applicant must be a current Cedar Falls Utilities (CFU) customer and own the property where door is installed. CFU must supply the primary heating fuel to the property. The most current rules of this program are on the application forms posted at [www.cfu.net](http://www.cfu.net). To evaluate your application, CFU will use the rules listed on the application form that was posted at [www.cfu.net](http://www.cfu.net) on the day CFU receives your application. Rebate amounts, energy efficiency requirements and property-type restrictions vary with the project type. Program-specific requirements are stated on Page 1 of this application form and incorporated by reference.
- **CFU Rebate Processing and Application Deadline:** Submit applications no later than March 31, 2019. Please allow up to six weeks for rebate processing. Incomplete applications may be delayed or rejected. *CFU reserves the rights to 1) award rebates in the form of utility bill credits or directly mailed checks; 2) verify invoices or proof of payment with financial institutions; and 3) notify you of rebate status via text message.*
