

2018 Residential Application: ENERGY STAR® qualified LED recessed lighting

Who should apply: **Residential properties (New Construction NOT Eligible) – LIMIT 35 per year per address**

Who should NOT apply:

Commercial/large multifamily properties (rentals or owner-occupied) – Use Commercial/Multifamily applications
Any fixtures/fan light kits that use screw base CFL, LED, halogen, or incandescent bulbs – NOT ELIGIBLE

Step 1: Make sure your fixtures qualify (must be ENERGY STAR qualified):

Your fixtures must have the ENERGY STAR label on the product packaging to receive this rebate.

Eligible LED Lighting:

ENERGY STAR qualified LED recessed downlights. Fixtures or retrofit kits are eligible; complete replacement unit required, including housing trim, reflector, lens, heat sink, driver, and light source.

Ineligible LED Lighting:

All other LED fixtures and lamps, including troffers, under-cabinet or shelf lighting, desk lamps, and pendant or other surface-mounted fixtures. Large facility projects should use Commercial/Multifamily applications.

Step 2: Cut out a UPC label and fixture information (if multiple fixtures of the same type are purchased, only one set of labels is needed for each fixture type):

Step 3: Complete Customer Information

Name on CFU Account:	Building Type: <input type="checkbox"/> Single-family <input type="checkbox"/> Mobile Home <input type="checkbox"/> Multifamily (2-4 units per building)
Installation address:	Property Type: <input type="checkbox"/> Owner-occupied <input type="checkbox"/> Rental

Step 4: Complete Purchase/Eligibility Info: (50% of pre-tax price, up to \$8 per fixture. 35 fixtures maximum, subject to CFU verification).

Brand/model of: ENERGY STAR qualified LED recessed can light.	Wattage of each lamp	# of fixtures purchased	Rebate requested (50% of pre-tax price, up to \$8.00 each. 35 fixture maximum). <u>Submit receipt with application.</u>

Step 5: Acceptance of Program Terms and Customer Signature

Applicant Certification: The undersigned agrees that the stated energy efficiency measure(s) is (are) installed and in operation at the job site address listed above, and that the information contained in this application is accurate and complete. I have read and agree to the Terms & Conditions on Page 2 of this application. I agree to indemnify, defend, hold harmless and release CFU from any claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental, special or consequential damages.

Step 6: Send the completed application form, UPC labels, and itemized receipts to energyservices@cfu.net or Cedar Falls Utilities, Attn: Energy Services, P.O. Box 769, Cedar Falls, IA 50613

CEDAR FALLS UTILITIES

2018 RESIDENTIAL LED FIXTURE REBATE PROGRAM TERMS & CONDITIONS

- **Directions and Customer Invoice Requirements:** Equipment must be paid in full; items on layaway or payment plans are not eligible until all payments have been made. For each project, submit a completed and signed rebate application with receipts, UPC codes, and documentation as described below to either energyservices@cfu.net or Cedar Falls Utilities, Attn: Energy Services, P.O. Box 769, Cedar Falls, IA 50613. Itemized receipt(s) or paid invoice(s) must show:

- Retailer, installer, or vendor name and address
- Date of purchase
- For fixtures installed by professionals: invoice must show address of installation
- Pre-tax purchase price, model number, and quantity of each type of fixture purchased

For each different type of fixture included in the application, a UPC label from the product packaging must be enclosed with the application (i.e., if two packages of the same type of fixture are purchased, the UPC label from only one of the packages needs to be enclosed with the application).

- **Project eligibility:** Purchase and installation must be completed between January 1, 2018 and December 31, 2018. Applicant must be a current Cedar Falls Utilities (CFU) customer and CFU must supply the primary energy to the equipment for which the cash rebate is being paid. Limit one CFU rebate payment per piece of qualifying lighting equipment. Projects must comply with all applicable federal, state, and local codes, standards, and regulatory requirements. All equipment must be new; used or rebuilt equipment is not eligible. Existing equipment must be removed and may not be resold. The most current rules of this program are on the application forms posted at www.cfu.net. To evaluate your application, CFU will use the rules listed on the application form that was posted at www.cfu.net on the day CFU receives your application.
- **CFU Rebate Processing and Application Deadline:** Submit applications no later than March 31, 2019. Please allow up to six weeks for rebate processing. Incomplete applications may be delayed or rejected. *CFU reserves the rights to 1) award rebates in the form of utility bill credits or directly mailed checks; 2) notify you of rebate status via text message; and 3) verify invoices or proof of payment with financial institutions. Receipts documenting cash transaction are not valid proof of payment.*
- **Verification & Publicity:** CFU reserves the right to inspect and verify the installation or ask you to complete a customer survey, for up to 12 months after the installation. CFU may publicize your participation in this program unless you request otherwise in writing. Rebate application information may be shared with state agencies or departments. If upon verification, CFU determines that you have purchased more fixtures than you have compatible spaces in your home, CFU reserves the right to reject your rebate application in part or in entirety.
- **Cedar Falls Utilities:**
 - 1) Does not endorse any provider, manufacturer, product, labor or system design by offering this program;
 - 2) Is not responsible for any tax liability arising from customer's receipt of a rebate payment;
 - 3) Does not expressly or implicitly warrant the performance of installed equipment or contractor's quality of work (contact your contractor or vendor for warranty information);
 - 4) Is not responsible for the proper disposal/recycling of any waste generated by this project;
 - 5) Is not liable for any incidental or consequential damages caused by the installation of the equipment or for any damage caused by the malfunction of the installed equipment;
 - 6) Does not guarantee that a specific level of energy or cost savings will result from the implementation of energy efficiency measures or the use of products funded under this program.
 - 7) May modify or end any cash rebate program at any time without notice. Incentives are available on a first-come, first-served basis. **Neither pre-approval of a project, nor any other action by CFU, entitles applicant to a rebate payment until and unless CFU approves this application. Submitting a completed application does not guarantee that applicant or contractor will receive a rebate from CFU.**
